RFP #17073
2017 Pre-Design Bulk Fuel
Facility Assessments

The following clarifications are requested on the RFP:

QUESTIONS/ANSWERS

Q1. We wanted to confirm that the successful firm or firms for this RFP will still be eligible to pursue design of the recommended facilities in the future (e.g. completing the assessment document will not disqualify firms from pursuing future design work).

A1. Vendors awarded contracts through this solicitation will be determined non-responsive to future design work related to services provided by these contracts.

All other terms and conditions remain the same.

END OF ADDENDUM

We appreciate your participation in this solicitation

Sincerely,
