RE: ADDENDUM NO. 2 TO REQUEST FOR
PROPOSALS (RFP) PACKAGE

RFP 20026
2020 Electric Vehicle Working Group Facilitation

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

Questions and Answers

1. Reviewing Task 1.2, the scope and quantity appears indefinite. Would AEA consider modifying Task 1.2 to be completed on T&E at AEA's direction, but not subject to the NTE price? I.e. the successful proposer after award would make best efforts to budget in an amount of Task 1.2 such that year 1 is less than available funds (\$40k), but it would be up to AEA to determine quantity and direction. Similar to a contingent sum in construction contracts.

Answer:

Yes

All other terms and conditions remain the same.

END OF ADDENDUM

Sincerely,

A handwritten signature in blue ink, appearing to read "Lois Lemus", with a long horizontal flourish extending to the right.

Lois Lemus,
Contracting Officer
