Request for Proposal No. 23060   **Addendum No. 1**
West Susitna Access Road Project Community Outreach
Consultant   **11/29/2022**

TO: PLANHOLDERS

The contract documents for the referenced project are clarified and amended as follows:

Responses to Proposers Questions

- Question: 1.On page 7, under 5.3 Administrative Requirements, the RFP states: "All services will be performed by a single person." However, the Evaluation Criteria make several references to listing more than one team member, including on page 10 under 6.14 Proposed Project Staff, which states: "The Offeror is also encouraged to provide the names and narratives of any other professional/technical personnel that are anticipated to be utilized in executing the proposed contract." Is it the intent of AIEDEA to have this contract executed by a single individual or a project team?

- Response: 1. AIDEA will accept proposals for a person and/or team to perform the work and provide the scope of services, as stated in the RFP.

  Question: 2. Is there a specific reason AIDEA would like the work to be done by a single person, as stated under 5.3 Administrative Requirements? Would AIDEA be amenable to a firm instead proposing to accomplish the work using a small team? For example, if using a team approach, we could have staff with specialized skills such as facilitation, public writing, and graphic design.

  Answer: 2. See Answer 1

  Question: 3. Does AIDEA have a budget or budget range in mind for this project?

  Answer: 3. The budget range for this project is anticipated to be between $100,000.00-$250,000.00

Where any requirements of the Request for Proposal are in conflict with an item in an Addendum, the Addendum shall govern.

All other terms and conditions of the Request for Proposal shall remain unchanged and in full force and effect.
