

**June 7, 2023**  
**ADDENDUM 1**  
**Request for Proposal 23124**

**TO ALL POTENTIAL OFFERORS:**

Below is an Addendum 1 posted to RFP 23124. All potential Offerors are advised to review the Addendum below.

Acknowledgement of these addendum is required on the Proposal Form. Failure to do so may subject the Offeror to disqualification.

Addendum 1;

**CLARIFICATION/CHANGE:**

- 1) **Part D Certification – Foreign Contracting** refers to all services to be performed in the US. If the offeror cannot certify that all work is being performed in the US, the offeror must contact the Contracts Officer to request a waiver at least 10 days prior to proposal deadline. Please advise if a waiver can be provided out of United States office? We have executed various similar projects (mining, logistics and ports related) in Alaska from our proposed office, which is our global head office for our Transportation and Logistics service line. This office includes staff with required expertise (Marine Engineers, Civil Engineers, Material Handling Engineers, Logistics Specialists, Marine Vessel Pilot and Estimators) to deliver this project.

**CLARIFICATION/CHANGE: AIDEA is willing to entertain a foreign contracting proposal on a per case basis with waiver.**
